Compass Commits to Sharing All Exclusive Inventory with All Brokerages and All MLSs

Compass is offering to share all exclusive inventory with any brokerage (including small brokerages) or MLS under two conditions meant to protect homeowners and their listing agents:

- The brokerage or MLS agrees not to alter or monetize the homeowners’ listings in any way, keeping the listing agent front and center.
- The brokerage or MLS can ensure agents won’t be fined or banned for sharing listings with the brokerage or MLS.

If your organization can meet these terms, please reach out directly to robert@compass.com to start the conversation.

About Compass

Compass is the largest residential real estate brokerage in the United States by sales volume. Founded in 2012 and based in New York City, Compass provides an end-to-end platform that empowers its residential real estate agents to deliver exceptional service to seller and buyer clients. The platform includes an integrated suite of cloud-based software for customer relationship management, marketing, client service, brokerage services and other critical functionality, all custom-built for the real estate industry. Compass agents utilize the platform to grow their business, save time and manage their business more effectively. For more information on how Compass empowers real estate agents, one of the largest groups of small business owners in the country, please visit www.compass.com.
